A Peaceful
Retreat For
Combat Veterans

Our Mission:

Honoring our nation's heroes by providing a peaceful atmosphere for combat veterans to enjoy rest, relaxation and recreation.

This is a rough draft drawing of the future cabins. There will be five 5 bedroom cabins. Each bedroom will bear the name of one of the 25 fallen Marines from the 2010-2011 deployment of the 3/5 Darkhorse unit. We will also be building a 6th cabin for our resident employees, most of whom will be combat veterans themselves. In addition to the cabins, we will have a community shower house/dining facility. All buildings will be handicapped accessible.

Along with fishing on nearby Kentucky Lake, guests will be able to participate in woodworking projects and enjoy area activities.

Visits will be 5 days in length and will be provided at no cost to our guests.
