

*Dr. Wendy Blount's*  
**"Practical" NEUROLOGY**  
Seminar for Companion Animals  
**17 CE Hours**  
April 17 & 18, 2021 ~ Nacogdoches, TX

**AGENDA**  
**Saturday, April 17**

**7:30am - 8:00am:**  
**Registration and Continental Breakfast**  
provided by Covetrus and Nutramax

***Morning Session 8am-12noon - Wendy Blount, DVM***

**8:00am - 9:20am:** Introduction to Neurology (40 CE minutes)  
Neurologic Exam 1 – History, Behavior, Gait (40 CE Minutes)

**9:25am -10:40am:** Neurologic Exam 2 – Postural Reflexes, Eye and Ear Exams (75 CE Minutes)

**10:45am - 12:00pm:** Neurologic Exam 3 – Cranial & Spinal Nerve Reflexes (75 CE Minutes)

.....

**12:00pm - 12:30pm:**  
**LUNCH**

.....

***Afternoon Session 12:30pm - 5:30pm – Wendy Blount, DVM***

**12:30pm-1:40pm:** Neurologic Exam 4 – Assessing Pain (70 CE minutes)

**1:45pm-2:55pm:** Atlantoaxial Instability, Spinal Fracture, Wobblers Disease, Post-Operative Rehab  
(70 CE Minutes)

**3:00pm-4:10pm:** Fibrocartilagenous Embolism, Type I II and III Disk Disease, Tail Pulls,  
Pain Control (70 CE Minutes)

**4:20pm-5:30pm:** Prognosis of Spinal Cord Disease, Spinal Disease and the Screwtail Breeds,  
Degenerative Myelopathy, Neoplasia, Osteomyelitis, Discospondylitis, Immune Mediated Meningitis  
(70 CE Minutes)
