

CE CREDITS AND REGISTRATION INFORMATION

This seminar is a special partnership between the Texas Academy of Veterinary Practice (CE arm of the Texas Veterinary Medical Association) and two great local veterinary medical associations, the North and Northeast Texas VMAs. We are honored to bring Dr. Wendy Blount to Mineola not only to provide a practical pertinent lecture but to also instruct a hands-on lab on neurological exams. Attendees will take away good practical information and skills that can be implemented immediately upon return to their clinic. The registration fee is inclusive of a continental breakfast, complimentary coffee and soda, lunch and the neurological wetlab. Members of the Texas Academy of Veterinary Practice and both local VMAs will receive a discounted rate for their support and participation in this seminar. We must have 30 practitioners signed up for this seminar by August 20 or it will be cancelled and registration fees will be refunded. Onsite registrations will be accepted if the 30 participant minimum is met. Contact Elan Forsythe, CMP, at 512/452-4224 (TVMA office), 512/431-9645 (cell) or eforsthe@tvma.org if you have questions or if you need information on registration numbers, etc.

REMEMBER THE REGISTRATION DEADLINE IS AUGUST 19, 2009.

YOUR SPEAKER...

WENDY BLOUNT, DVM.

Dr. Wendy Blount is well known in the veterinary referral world. She is a small animal veterinarian who treats dogs and cats only and is residency trained in Small Animal Internal Medicine. Based out of Nacogdoches, Dr. Blount travels around Texas to other small animal clinics to see referral patients and to provide continuing education to practitioners and technicians. As well as being trained in internal medicine, Dr. Blount has an interest in nutrition and natural medicine. Blount offers both traditional and natural remedies, which in her experience are most beneficial.
